

EE 386: Advanced Digital Systems Laboratory

ELECTRICAL ENGINEERING

Advanced digital systems. MSI circuits, PLD devices, VHDL design and synthesis, computer architecture. (3 lab hours).

1 Credit

Prerequisites

- [EE 385: Advanced Digital Systems](#) \$target.descriptions.MinimumGrade\$

Instruction Type(s)

- Lab: Laboratory for EE 386
- Lab: Lab for EE 386
- Lab: Lab for EE 386

Subject Areas

- [Computer Engineering, General](#)
- [Electrical and Electronics Engineering](#)
