### B.S. in Integrated Mktg. Communications

#### Description

The integrated marketing communications degree program focuses on the full spectrum of communication tools, with particular attention to interactive technology and media; comprehensive planning and implementation of strategies and tactics; discovery and accommodation of consumers' perceptions and demands, and measurable "bottom-line" results on a global scale. The degree is designed to teach how to understand, engage, persuade, and activate consumers. It includes the study of advertising, public relations, brand management, and research into consumer insights, enabling students to build a customized toolbox of professional skills. A variety of core courses, electives, and specializations are offered, all to prepare students for productive IMC careers and adaptation to ever-changing business environments.
