

## Phad 396: Marketing for Community Pharmacists

### PHARMACY ADMINISTRATION

This course is an elective focused on exploring the factors affecting use and acceptance of, delivery of, promotion of, and pricing of innovative pharmacy products in the community pharmacy setting. The ability of pharmacists to develop innovative services and market them to patients, health care providers, payers, government agencies, and others is crucial to the advancement of pharmacy. Students will be introduced to marketing principles and how they are applied in community pharmacy.
