Overview

The School of Applied Sciences was established in 2001 and includes the departments of Communication Sciences and Disorders; Nutrition and Hospitality Management; Health, Exercise Science, and Recreation Management; Legal Studies; and Social Work.

History/Mission/Purpose

Mission - The School of Applied Sciences offers professional preparation programs that integrate academic study, clinical training, creative research, service learning, and community outreach. Our goal is to develop leaders whose professional endeavours will improve human health and societal well-being.
