

# Csci 211: Computer Science III COMPUTER & INFORMATION SCIENCE

Continuation of Csci 112 with emphasis on advanced data structures, algorithm design analysis, advanced programming techniques, and user interfaces. 3 Credits

#### **Prerequisites**

• Csci 112: Computer Science II (Minimum grade: C-)

#### **Cross-listed Courses**

• CIS 211: Computer Science III

#### Instruction Type(s)

• Lecture/Lab: Lecture/Lab for Csci 211

## Course Fee(s) Computer & Information Science

• \$75.00

### **Subject Areas**

• Computer Science
