

Csci 311: Models of Computation

COMPUTER & INFORMATION SCIENCE

Introduction to the theoretical foundations of computer science, including automata and formal languages.

3 Credits

Prerequisites

- [Csci 112: Computer Science II](#) (Minimum grade: C-)
- Pre-Requisite: 24 Earned Hours

One-way corequisites

- [Math 301: Discrete Mathematics](#)

Instruction Type(s)

- Lecture: Lecture for Csci 311

Subject Areas

- [Computer Science](#)
