Students must have a minimum GPA of 2.0 on the 39 hours to declare a general business major. There is an appeals process for those students who do not meet the minimum GPA on the 39 hours. Once admitted to the School of Business Administration, students may enroll in approved major specific upper division (300+ level) course work. Answers to frequently asked questions can be found on the school's website www.olemissbusiness.com.

Transfer Students – Students transferring into Ole Miss seeking admission to the School of Business Administration are required to have successfully completed courses equivalent to those included in the pre-business curriculum prior to applying to admission and declaring one of the school's major degree programs.
