THE UNIVERSITY of MISSISSIPPI

Csci 211: Computer Science III
Computer & Information Science

Continuation of Csci 112 with emphasis on advanced data structures, algorithm design analysis, advanced programming techniques, and user interfaces.

3 Credits

Prerequisites

- Csci 112: Computer Science II (Minimum grade: C-)

Cross-listed Courses

- CIS 211: Computer Science III

Instruction Type(s)

- Lecture/Lab: Lecture/Lab for Csci 211

Course Fee(s)
Computer & Information Science

- $75.00

Subject Areas

- Computer Science
