

## **Pedg 591: Pedagogy Advanced Practice Experience**

### **Pharmacy Practice**

A five-week (40 hours/week) elective experimental rotation in an academic setting that provides senior professional students with opportunities to explore issues in teaching and learning, and to participate directly in facilitating the learning of junior students in the pharmacy professional program. Registrants will be introduced to various teaching methods, including problem based learning and other practice based skills. Registrants will have opportunities to develop and improve teaching skills, with emphasis in evaluation and assessment.
