

## Engr 661: Computer Networks II School of Engineering

Continued analysis of loosely coupled computer communication, constraints on intercomputer communication, communication protocols, and network services. LAN data link protocols, transport services, and other high-level network functions are examined in detail.

## **Prerequisites**

• Csci 561: Computer Networks (Minimum grade: C)

## Instruction Type(s)

• Lecture: Lecture for Engr 661

## Subject Areas

- Engineering, General
- Computer Engineering, General
- Computer Science
