

Phys 223: Laboratory Physics I Physics & Astronomy

Laboratory experiments coordinated with lecture topics in Phys 213. 1 Credit

Corequisites

Phys 213: General Physics I

Instruction Type(s)

• Lab: Laboratory for Phys 223

Course Fee(s)

Astronomy and Physics

• \$195.00

Subject Areas

Physics, General

Related Areas

- <u>Acoustics</u>
- <u>Atomic/Molecular Physics</u>
- <u>Condensed Matter and Materials Physics</u>
- Elementary Particle Physics
- <u>Nuclear Physics</u>
- Optics/Optical Sciences
- Physics, Other
- <u>Theoretical and Mathematical Physics</u>
