

Csci 211: Computer Science III Computer & Information Science

Continuation of Csci 112 with emphasis on advanced data structures, algorithm design analysis, advanced programming techniques, and user interfaces. 3 Credits

Prerequisites

• Csci 112: Computer Science II (Minimum grade: C-)

Cross-listed Courses

• CIS 211: Computer Science III

Instruction Type(s)

• Lecture/Lab: Lecture/Lab for Csci 211

Course Fee(s) Computer & Information Science

• \$75.00

Subject Areas

• Computer Science

about the accreditation.
