

Edhe 203: Fund. of Student Acad. Success

Higher Education

The purpose of this course is to help students grow in their abilities to achieve their academic and personal goals within the context of college development. Students will work with a designated college life coach once a week for 45 minutes. These meetings are designed to: (1) enhance students' ability to adjust to the rigors of college coursework; (2) help students engage in self-discovery and growth surrounding their college experience; and (3) help students develop crucial habits for career and life success that they can utilize during their college experience and as working professionals after graduation.
