Other Academic Requirements

Mastery of the content knowledge is assessed in many ways throughout the program. One specific milestone for assessing student's mastery of content

The University of Mississippi is accredited by the Southern Association of Colleges and Schools Commission on Colleges to award certificates and baccalaureate, master's, specialist, and doctoral degrees. Contact the Commission on Colleges at 1866 Southern Lane, Decatur, Georgia 30033-4097, call 404-679-4500, or visit online at www.sacscoc.org for questions about the accreditation.

knowledge is the program comprehensive examination. All master's degree students in the counselor education program are required to earn a passing score on the Counselor Preparation Comprehensive Examination (CPCE) in order to graduate from the program.

In addition to demonstrating mastery of content knowledge, students must also demonstrate development of basic counseling skills and demonstration of counseling and track-specific dispositions and competencies beyond class requirements. All master's degree students in the counselor education program are required to successfully complete practicum and internship in order to graduate from the program.
