

BME 315: Physiology for Biomedical Engineering II <u>Biomedical Engineering</u>

This course explores a quantitative approach to human physiology from the biomedical engineering perspective with an emphasis on systems physiology.

3 Credits

Prerequisites

• <u>BME 313: Physiology for Biomedical Engineering</u> \$target.descriptions.MinimumGrade\$

One-way corequisites

• BME 314: Biomedical Measurement

Instruction Type(s)

• Lecture: Lecture for BME 315

Subject Areas

Bioengineering and Biomedical Engineering

The University of Mississippi is accredited by the Southern Association of Colleges and Schools Commission on Colleges to award certificates and baccalaureate, master's, specialist, and doctoral degrees. Contact the Commission on Colleges at 1866 Southern Lane, Decatur, Georgia 30033-4097, call 404-679-4500, or visit online at www.sacscoc.org for questions about the accreditation.
