

CIS 211: Computer Science III Computer & Information Science

Continuation of Csci 112 with emphasis on advanced data structures, algorithm design analysis, advanced programming techniques, and user interfaces. 3 Credits

Prerequisites

• Prerequisite: Csci 112 (minimum C-) or CIS 112 (minimum C-) or Csci 113 (minimum B-) or CIS 113 (minimum B-)

Cross-listed Courses

• Csci 211: Computer Science III

Course Fee(s) Computer Science 5

• \$75.00

Subject Areas

• Computer Science
