

# Chem 581: Molecular Biochemistry II Chemistry & Biochemistry

Continuation of Chem 580.

3 Credits

#### **Prerequisites**

• Pre-Requisite: Chem 471 or Graduate Standing

## **Instruction Type(s)**

• Lecture: Lecture for Chem 581

### **Subject Areas**

- Molecular Biology
- Molecular Biochemistry

#### Related Areas

- Biochemistry
- Biochemistry and Molecular Biology
- <u>Biophysics</u>
- Molecular Biophysics
- Radiation Biology/ Radiobiology
- Structural Biology
