

IE 093: English Lab for Math Modern Languages

The English Lab is designed to accompany enrollment in a mathematics course as support for the instruction and learning taking place in that course. In the lab, students will be able to work through the material being covered in the content course by asking questions, participating in discussions, and studying the language used in the main course.

Student must be enrolled in a mathematics course. May be repeated once for credit. Not for degree credit.

1 Credit

Instruction Type(s)

• Lecture: Intensive English Program for IE 093

Subject Areas

• Teaching English as a Second or Foreign Language/ESL Language Instructor

The University of Mississippi is accredited by the Southern Association of Colleges and Schools Commission on Colleges to award certificates and baccalaureate, master's, specialist, and doctoral degrees.
