

# Ch E 345: Engineering Economy Chemical Engineering

Time value of money, depreciation, cost estimation, return of investment; risk and selecting alternatives. 3 Credits

### **Prerequisites**

• Ch E 308: Chemical Process Principles II (Minimum grade: C-)

## **Instruction Type(s)**

• Lecture: Lecture for Ch E 345

## **Subject Areas**

• Chemical Engineering

#### **Related Areas**

• Chemical and Biomolecular Engineering
