B.M. in Music Description

The B.M. in music is offered for students seeking a university education that includes preparation for careers in music teaching or performance. The B.M. degree is available in the following emphases: music performance and music education.

Minimum Total Credit Hours: 124

General Education Requirements

The general education/core requirements for the B.M. degree are different for the two emphasis areas. See the information given in the individual emphasis descriptions.

Course Requirements

To complete the B.M. degree, a student must satisfy the requirements for either a music performance emphasis or a music education emphasis.

Emphasis - Music Performance Description

The B.M. in music with emphasis in music performance prepares students to become professional musicians (performing as woodwind, brass, string, or percussion instrumentalists, pianists or vocalists) and/or for graduate or professional school. This emphasis can be completed with a concentration (option) in piano, instrumental, or vocal as principal instrument.

General Education Requirements

General Education Course Requirements for Emphasis in Music Performance, Concentrations in Piano and Instrumental
