

B.Accy. in Accountancy

[Overview](#)

[Degree Requirements](#)

Description

The primary function of the school is to provide professional education required to prepare students for careers as professional accountants in public practice, financial institutions, industry, government, and nonprofit organizations. Emphasis is placed upon both theoretical principles and concepts and practical applications to fulfill the need for reliable financial information. Professional courses offered at both the undergraduate and graduate levels provide students with the accounting education required to commence and continue to develop in a wide range of accounting and business professional careers.

Minimum Total Credit Hours: 120 General Education Requirements

The general education/core requirements for the B.Accy. degree include the following:
