

Phad 430: Research Methods for Pharmacists

[Pharmacy Administration](#)

Every year hundreds of thousands of patients are harmed by both the over, and under, use of available medical knowledge. This is a staggering statistic. One way to bend the curve on errors related to pharmacy is by improving the generation, and integration, of knowledge in pharmacy practice by improving pharmacy practice research.

2 Credits

Prerequisites

- B.S.P.S. or Pharm D. major.
- Pre-Requisite: 24 Earned Hours
